2012 ATA All-American Captains

2012 ATA All-American accomplishments summaries: sub-junior, veteran, senior vet, chair teams

The information in the following listings was compiled from the ATA's All-American team data and shoot reports submitted to TRAP & FIELD.

Accomplishments are arranged by tournament and then into "Trophy/Tie Points" and "Score Points" sections. [See "ATA All-American team requirements" beginning on Page 66 of the February 2011 issue of T&F—Ed.]

Each shooter's best seven tournaments (in total point value for each) counted toward team selection, and only those accomplishments from each All-American's respective best seven shoots are highlighted here. Each team member's total points earned appears in the heading after the city and state of residence.

With the exception of the chairshooter team, all members qualified by completing the 400 all-around targets (championship singles, handicap and doubles) at All-American Qualifying Shoots in three or more states or provinces, as well as satisfying the minimum-target requirements for their respective categories (men, 3,000 singles, 2,500 handicap and 1,500 doubles; women, juniors and veterans, 3,000 singles, 2,000 handicap and 1,000 doubles; and sub-juniors and senior vets, 2,000 singles, 1,000 handicap and 500 doubles).

For the complete 2012 ATA All-American team roster, see Page 17 of the December 2011 issue.

Ages listed for the sub-junior, veteran and senior vet teams are as of the end of the 2011 target year (Aug. 31, 2011).

—Sub-Junior First Team—

Trophies listed are sub-junior unless specified otherwise. Ages given are as of the last day of the 2011 target year (Aug. 31, 2011).
